The Northbank 5.5m Cuddy cabin offers a great family boating experience. A versatile boat that can deal with the elements but if you also need something to suit the family, the 550C could be the perfect mix. It's low profile sports cabin provides protection and comfort from the elements. Walk through access to the bow, thanks to a centrally opening hatch makes bow access and anchoring a breeze. Moulded side pockets and non-slip floor, generous free board, underfloor storage, stand out styling, an extensive list of standard fitments combined with a modern hull design make the 550C a great all round family boat.

*Rear upholstered lounge as standard with optional deluxe baitboard*

*Sturdy stainless steel grab rails are recessed into the gunwales for maximum strength*

*Roomy cabin as standard also comes with comfortable bunk cushions to escape the weather*

*Large walk-thru access to anchor well is a feature of the 550C*
