650 Cuddy

For the fisherman who wants to venture offshore the Northbank 650C has much to offer. Designed by Naval Architects, produced with CAD/CAM technology, the 650C is a serious offshore sports fishing platform. Powered by outboard or sterndrive the rig performs brilliantly in offshore conditions. Big swell or that afternoon seabreeze chop will be eaten up by the 650C. With excellent internal freeboard you can be confident the 650C will get you home safely. Northbank offers a long list of high quality factory fitted options to cater for the most discerning offshore angler so you can apply the options that suit you.
